Executive Director

July 23, 2020

Greetings President Davis and NOBLE National Executive Board,

We close this NOBLE 2019-2020 year term in the heightened cries of the Black Lives Matter Movement, and demands to "Defund the Police!" while still in the throes of the corona virus pandemic, with confirmed cases on the rise in states where we have a NOBLE presence.

As NOBLE participates in policy and accountability reviews and advancement changes across the country, relative to our Law Enforcement profession, we are sought after to serve on virtual platform panels, speak before Congress, and we take initiative to host virtual events addressing these issues and developing solutions for healing. Our NOBLE Associate Members are at the frontline and in some cases forefront of these discussion initiatives. NOBLE Associate Members are poised and ready to serve in greater capacity. We are Subject Matter Experts by education and/or experience.

We look forward to being featured as NOBLE NewsMakers, increased numbers of qualified Associate Members as SME's for CRI-TAC, serving on NOBLE led Town Hall presentations, and having a voice through the NOBLE C.A.R.E.S. Initiative Associate Member Roundtable.

The progress of Associate Members speaks volumes to the commitment and vision of NOBLE as a whole, to ensure the continued equity in the administration of justice through mentoring and creating opportunities for NOBLE Associate Members to become not "the" next generation of Leaders, but rather OUR next generation of Leaders! The importance of a symbiotic relationship between Regular Members, Associate Members, and NOBLE at large, still remains key to the success of the local Chapters and the sustainability of NOBLE.

Thank you to our outgoing NOBLE National Executive Board, Welcome to the new Members of the NOBLE National Executive Board, and Thank you to the NOBLE Office Staff. There is still work to be done. May God continue to Bless us all!

Sincerely,

*Michelle Tége*
