Welcome! Welcome! Welcome!

The NOBLE 43rd Annual Training Conference & Exhibition has drawn over 180 NOBLE Associate Members to New Orleans! There are many great training, networking and mentoring opportunities that will take place over the next several days. The responsibility is on us to carry it forward into our future and future careers!!

Let us be ever mindful to acknowledge those who have made the ultimate sacrifice in the performance of their duties, those who fought valiantly in the face of sickness whom God called home to a heavenly reward, and those we lost to suicide. Please know there are resources and ever growing resources to help us heal from mental health challenges. The workshop "In Harm's Way: Law Enforcement Suicide Awareness" will be presented on Tuesday, August 13, 2019; 0800 hours. The information shared may help save the life of your partner, colleague, family member, or your life.

Together we have continued to take "Relevancy to The Next Level; Honoring Traditions and Standards." We have continued to raise the bar as NOBLE Associate Members. With recognition and support from the National Board:

We Chair National Committees (Training & Education Committee and Nominations Committee) • We are stepping into our position as Chapter Associate Member Representatives, with local Chapter Board Member voting rights • We have secured Assessment Center Training at our Annual NOBLE Conference, which I have witnessed expanded at Region Trainings. Despite these accomplishments there is still more work to be done.

In addition to our responsibility in the sustainability and future of NOBLE, we have a responsibility to our Mission and Vision Statements. Protecting and expanding our NOBLE Brand through the delivery of NOBLE products such as The Law and Your Community, and developing/mentoring NOBLE Collegiate Chapters. There is a segment of society that will always find fault with law enforcement practitioners, and we all know there are some in our Agencies/Departments that lend to the negative sentiments of some of the public. We have seen disrespectful acts expressed most recently in the media of dousing water on uniformed Officers, and jumping onto Police Vehicles while occupied with police personnel. Let this Conference re-energize you, to return to your Chapters ready to continue the work in NOBLE fashion, to foster and strengthen relationships in your respective Communities!

New Orleans is rich with history, enjoy all that you can while absorbing the training. Remember to **VOTE** on Tuesday, August 13, 2019; 0730 hours x 1100 hours. It's our duty and responsibility to make our statement through our vote and select the best Candidates to lead our Organization!

SINCERE THANKS FOR THE WORK YOU DO ON BEHALF OF NOBLE IN YOUR COMMUNITY!

"NOBLE Associate Members:
The Next Generation of Leaders!"

My responsibility as an African American Woman and Public Servant impacted by the Criminal Justice System as a teenager mirrors the mission of N.O.B.L.E. I serve as the Training Chair for the Central Virginia Chapter, A committee member of the Region II Recruitment initiative, Collegiate Chapter Recruitment and the International Affairs Committee. As well as the CEO and founder of the Carol Adams Foundation, whose mission is to provide emergency assistance to women, men and children impacted by domestic violence.

As a member of NOBLE's Southern California Chapter, I take great pride in the development and mentoring of the NOBLE Collegiate Chapter at California State University, Dominguez Hills Chapter. Our future as NOBLE, and as a society, is impacted by our work with our Collegiate Chapters, and stakeholders in our respective Agencies/Departments. To this end I work closely with the Community to determine how the Los Angeles Police Department can be more responsive to the varied needs of the South Los Angeles communities it serves. Our service to the communities must continue even after we take off our uniform.

Rochelle has been a part of the New York City Police Department for the past 12 years, during which she has served in both civilian and uniform capacity. She holds a Bachelor of Business Administration in Accounting, Master of Science in Accountancy and currently working on a Master of Arts in Criminal Justice. Rochelle believes in the strength of unity and the value in supporting the community. As the Education and Training Chair of the NOBLE New York Chapter, she continuously seeks out and manufacture resources beneficial to the organization's goals.

My goal is to provide Mentorship, Education and to raise Domestic Violence Awareness to men, women and the youth. Additionally, Sgt. El-Amin is an Instructor at the John H. Stamler Police Academy in Scotch Plains, NJ. She teaches Conflict Resolution, Crisis Intervention and Cultural Diversity to all new police recruit classes. Mahasin also received the 2019 NOBLE Northern New Jersey Chapter Woman Of Excellence Award.

Detroit Police Officer Bryant George, believes that the best form of policing is through community policing. Officer George serves his Detroit community by mentoring 8th grade Black male students through a high school & college readiness program titled “Young Men in Blue.” Officer George sees his efforts as a crime prevention tool by exposing more Black males to education and not incarceration.
