This NOBLE year has seen us experience the darkest depths of effects with the covid-19 virus, the unrest of our communities coupled with the challenges of being "Black & Blue", loss of NOBLE Leadership across the nation, and change in policies and procedures impacting our Departments and Agencies. Associate Members are intelligent, committed and have been preparing themselves for a career in criminal justice/public safety, which for some includes aspiration of leadership positions. We also want the benefit of training, mentoring and coaching on the path to achieving our goals. Formal and Informal Mentoring coupled with Assessment Center Training, and targeted discipline trainings, will help ensure there is no gap in the future leadership opportunities NOBLE Members can provide for all communities, and particularly our communities of color. We must recognize and demonstrate the value of our voice and vote as we continue to pursue the necessary organizational policy changes to secure these benefits for NOBLE Associate Members, on the National level and within our Regions.
