

NATIONAL ORGANIZATION OF BLACK LAW ENFORCEMENT EXECUTIVES

September 04, 2022

Greetings NOBLE International Committee,

I hope this correspondence finds you all well!

On Tuesday, August 30, 2022; 7:00pm EST, we had the first meeting of our 2022-2023 NOBLE year! Please review the outline notes from our meeting. The recording will be placed onto michelletege.com for your full knowledge.

- **Greeting** – Following invocation provided by Carol Adams, CVC Chapter, and IAC Member, President Goss Andrews and 2nd VP Glover shared greetings and remarks. Please note we are requested to complete a NOBLE National Committee Form, for the purpose of memorializing our engagement, allowing for optimal communication, and supporting accountability of our individual volunteerism.
- **Introductions** – we were able to meet several key IAC Members, and learn of their journey, and historical milestones of IAC. We will continue to “Meet Our Committee” especially in light of any additions based on the NOBLE Committee Membership Form.
- **Membership Recruitment & Retention** – Our Committee at large recognizes the challenges of NOBLE International Membership, impacted by: local Agency budget constraints, and currency exchange rates. We will continue to formalize an opportunity for sustainable Membership, which would then move us into the retention of our NOBLE International Members. This may include corporate and/or NOBLE sponsorship, and/or waiver of Membership fees for NOBLE International Members. Additional IAC Members are encouraged to participate in this sub-committee as further discussion is necessary.
- **Training & Programs** – We will continue to engage NOBLE resources and contacts to schedule and provide relative training and programming for our NOBLE International Members and Partners. Jonni Reddick, Chair Officer Safety & Wellness, and James Jefferson III, Chair NOBLE Youth and Young Adult, both joined the meeting and shared initiatives to provide training from their respective Committees. IAC is encouraged to work closely with them, and our NOBLE Education and Training Committee and Program Manager, with a goal to provide quarterly training opportunities.
- **Corporate Sponsorship Opportunities** – IAC understands the importance of partnership with our NOBLE Presidents Corporate Advisory Committee. Their support through initiatives and/or financial support will have a pivotal role in IAC, and the work we will be able to accomplish.
- **Annual NOBLE National Award** – IAC wholeheartedly supports the creation of an award to be given to a NOBLE International Committee Member or a NOBLE International Partner. Further discussion will be necessary to solidify the name of the award, and the criteria for an Award Recipient. IAC will continue to reach out to the NOBLE National Scholarship and Awards Committee for insights.

- **NOBLE National Strategic Planning** - IAC endeavors to create a roadmap of the work required of us, for inclusion in our NOBLE National Strategic Plan. IAC will also review governing documents for any necessary clarity and/or updates. The most recent NOBLE National Strategic Plan has been provided for the review process to begin. Additional IAC Members are encouraged to participate in this sub-committee, and work with the NOBLE National Strategic Committee.
